2. Develop students who understand the purpose and relevance of subject matter.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

The Days Creek Charter School Continuous Improvement Plan specifies improving our school culture by focusing on respect, responsibility and care for one another.
